

**THE 4TH INTERNATIONAL CONFERENCE ON EMERGING TECHNOLOGIES IN
DATA MINING AND INFORMATION SECURITY**

BY

SMART SOCIETY, CANADA

10TH - 12TH AUGUST 2026, VANCOUVER

ABOUT IEMIS

The 4th INTERNATIONAL CONFERENCE ON EMERGING TECHNOLOGIES IN DATA MINING AND INFORMATION SECURITY (IEMIS 2026), which will be held at the Student Union Building of the University of British Columbia, 6138 Student Union Blvd, Metro Vancouver, BC, from 10th to 12th August, 2026. The conference will offer chances to publish research papers in journals indexed by Scopus. Selected papers (after double-blind peer review) are published by Springer in the LNNS series (<https://link.springer.com/series/15179>), and extended selected papers will be published in the special issues of SCI/SCOPUS/WoS/DBLP/ACM/ISI-indexed journals.

PAPER SUBMISSION GUIDELINES

All submitted articles will be evaluated on their quality and relevance using a double-blind peer review, which hides the authors' identities from the reviewers. All review manuscripts should fulfil the double-blind submission guidelines for review purposes. For further details, check the official website: <https://iemis.ai>

SUBMISSION LINK

Selected papers need to be submitted before the given deadline through the following link: <https://edas.info/chair.php?c=34272>
